

A Textile and Quilting Weekend with justhands-on.tv

Date: Saturday 5 May and Sunday 6 May 2018

Location: De Vere Beaumont Hotel, Windsor

Enjoy a fabulous weekend retreat at the Beaumont Estate in Windsor, with your choice of two of the UK's leading textile tutors

Beautiful Birds with Gail Lawther

Gail is known for designing and stitching quilts for books and patterns, as well as teaching workshops across the UK and further afield. Treat yourself to a weekend doing the craft you love along with like-minded people – and try out some new techniques into the bargain. Birds provide the soundtrack to our lives, and all the projects that Gail is offering on this retreat are inspired by our feathered friends: you'll find garden birds and seabirds, pheasants and flamingos, doves and chickens, herons and puffins – and loads more besides. Whether you're a complete beginner to patchwork or an accomplished stitcher, this is an excellent weekend for extending your skills and learning new ones. There's a wide variety of different techniques on offer for creating the projects, including – of course – Gail's 'signature' Stained Glass Patchwork.

Layer, Solder and Stitch with Kathleen Laurel Sage

Kathleen is known for wielding her soldering iron to embellish; remove and seal areas of her machine embroidered and layered organza designs, to make a strong delicate and versatile fabric. Kathleen will guide you through the techniques needed to create your own layered, soldered and stitched project, including some simple steps to design your own masterpiece. She will help you decide on a design, either drawn by you or from a selection of patterns and kits. If you have never used a soldering iron before, don't worry you'll soon be totally hooked with your head brimming full of fantastic creative ideas. The weekend will be a good solid starting point for a 3 dimensional or larger project or you may wish to explore the technique in a geometric manner or even make several smaller pieces in the form of unique jewellery or small panels.

2 days sewing plus dinner, bed and breakfast at the De Vere Beaumont Hotel, Windsor

Classes will take place in the hotel from 10 – 4 on Saturday and 10 – 4 on Sunday AND you can sew until late, late, late on Saturday evening if you want. Lunch and refreshments will be served both days including a buffet lunch and a 3 course dinner on Saturday and breakfast and a buffet lunch on Sunday.

With it's beginnings in the 14th century, this majestic hotel stands in the Royal Borough of Windsor. Set close to the River Thames, the hotel is just 3 miles from Windsor and the Castle, minutes from J13 of the M25 and 15 minutes from Heathrow; Egham station is also 3 miles away with fast connections to London Waterloo and Reading. Relax in subtle luxury in an ensuite room so you're guaranteed a great night's sleep. There is also complimentary Wi-Fi access, TV and hairdryer.
